BRIDAL BRA COMFORT
According to Simone Perele's Marlene Hassett, many brides select the wrong bra to wear on their wedding day, resulting in ill-fitting dresses. "Wearing a poorly fitting bra can make a woman look bigger than she actually is, and who wants that on your wedding day!" Marlene says. She suggests brides should purchase a couple of different bras to try on with their gown in the store, and to have these bras fitted by an expert. Simone Perele lingerie is elegant and feminine and will suit every bride's size, shape, taste and dress. Available at David Jones and selected lingerie boutiques.
Your Wedding has four Simone Perele lingerie packs worth \$250 each to win. Enter at www.yourwedding.com.au.
